

Is Your Community Platform Rural-Friendly?

ACCESS & USABILITY

Is your platform mobile-optimised?

Does it perform well in low-bandwidth environments?

Are transcripts, summaries, or audio alternatives available?

STRUCTURE & NAVIGATION

Are there regional or interest-based groups for rural members?

Can members easily find and join those spaces?

CONTENT & COMMUNICATION

Is content written in inclusive, plain language?

Are rural voices featured in blogs, videos, or discussions?

ENGAGEMENT & RECOGNITION

Do rural members have opportunities to lead or moderate?

Are there recognition initiatives for rural contributions?

SUPPORT & ACCESSIBILITY

Is help available for members with low digital literacy?

Can members post anonymously (if needed)?

EVENTS & LEARNING

Are virtual events recorded and accessible on demand?

Are events held at rural-friendly times?
